- ✓ Marriage & Humor

Heather Nuttall Westover is an award-winning author, speaker, author coach, and editor. Raised as a wheat farmer's daughter in South Dakota, her storytelling is infused with the charm and authenticity of small-town life. Now residing in Oklahoma, she has authored three books, including the memoir *Growing Old: One Lucille Ball Moment at a Time*, which debuted as a #1 New Release on Amazon. Beyond writing, Heather is dedicated to empowering aspiring authors through coaching and editing, guiding them to find and share their unique voices. Her passion for storytelling and commitment to nurturing new talent make her a respected figure in the literary community.

# LATEST RELEASE

## ESTHER: QUEEN OF ALL PERSIA

In the heart of ancient Persia, a young girl rises from indescribable challenges. After being chosen as Queen she winds her way through palace intrigue, and societal constraints on women, risking her life to expose a deadly plot. With faith, discernment, boldness, and wisdom she appeals to her king and secures the future of her people. In the darkest of times, Esther is the beacon reminding us that courage, faith, and discernment can change the course of time.

## REVIEWS

"Heather Westover brings the story of Esther to life, creating characters that feel like living, breathing human beings and not just characters from a Bible-story. By using modern language, she makes the ancient setting more accessible, drawing readers into the familiar tale of a young woman who rises to meet challenge after challenge—including the imminent genocide of her people. The underlying romance is sweet, told from both Esther's and the King's perspectives, and proves to be a source of strength to the heroine, along with her deep faith. This is a timeless story full of action, love, and triumph, and Heather takes us through it all."

*Aubrey Green, Blue Clover Editing*
